Caring for the Environment 

## IT'S TIME FOR CHANGE...

Into the Green Publishing is a new Environmentally friendly Greeting Card Company, founded on the belief that Great Cards don't have to cost the Earth.

Our company values ensure, all our cards are:

- Free from plastic
- Made from sustainable sourced paper.
- Fully recyclable
- Made with biodegradable glitter
- Packed and shipped in paper packaging.

ENVIRONMENTALLY FRIENDLY CARDS – “Into The Green Publishing’s” Trust Mark. This mark gives the retailer and consumer the confidence they have chosen an environmentally friendly card, manufactured from sustainable materials that are fully recycled. ✓

100% PLASTIC FREE – This icon tells the retailer and consumer that no plastic is used within the manufacturing or distribution of our cards. All our cards are packed in paper based packaging. ✓

OUR +2 – This icon is a solution to Stockists of our products that we have considered the ‘Missing Envelope Issue’ and each Pack of 6 Cards we supply, comes with 2 Additional Envelopes at no Extra Cost. ✓

SUSTAINABLY SOURCED PAPER – This icon tells the retailer and consumer that the paper used has been sourced from managed forests and does not contribute to illegal deforestation. It will always be supported by a certified F&C or DEFC Chain of custody number. ✓

BIODEGRADABLE GLITTER – This icon tells the retailer and consumer that the glitter we use on our Cards is certified as ‘Biodegradable, Compostable and Degradable’ within the marine environment. The Glitter used is made from cellulose derived from the Eucalyptus plant. ✓

FULLY RECYCLABLE – This icon tells the retailer and consumer that our cards are Fully Recyclable within the Household waste recycling stream. Most local authorities operate kerbside collection for paper recycling. All of our cards are manufactured from fully recyclable materials. ✓
